Concrete Feed Troughs

Prices You Can Appreciate, Integrity You Expect

Frontier Feeds is one of the leading ingredients and blended-feed companies in the Southwest.

Frontier Flexibility equals more profit for our customers.

We obtain a variety of the most *affordable ingredients* from many origins and locations so we can offer you the *best value* for your feeding budget! Plus, on-staff nutritionists to help with *your* feeding questions.

We will even buy and sell your home-grown grains!

Give us a call for your beef cattle feed needs!

BTL

CONCRETE FEED
TROUGHS ARE....

▶ EASY TO CLEAN

The flat bottom is easy to clean with a scoop or fork.

▶ TWICE THE SPACE

The flat bottom bunk has twice the usable capacity as a round bottom bunk.

▶ REINFORCED TO LAST

Bunk is reinforced with over 45 feet of steel rebar.

▶ CONVENIENT DRAINS

Solid concrete ends feature drain holes. *PLUS*, drain holes may be plugged for use as a waterer!

▶ GREAT FOR HORSES TOO

Makes a great horse feeder or waterer.

▶ SPACE TO EAT

Allows livestock to feed from both sides and the ends.
